

Pay Less For Your Medications

Access these options to bring your medication cost down

GoodRx Coupons

Access this free website to compare costs of your prescriptions. Download a free coupon and take it to your local pharmacy for a discount. If you don't have access to internet, ask your pharmacist about GoodRx coupons.

<https://www.goodrx.com>

Check \$4 Pharmacy Lists

Many pharmacies offer free antibiotics or generic medications for \$4 at participating pharmacies. Talk to your doctor to see if you can switch to a lower cost medication.

Patient Assistance Programs

Ask your doctor if you qualify for patient assistance programs for any of your medications. You could get discounts or free medications.

Talk to your pharmacist

Don't be afraid to ask your local pharmacist if there are any options to get discounts on your medications or if you are on your preferred medication for your insurance.
